Sign-In Policy

Every performer must be signed in on a daily basis **by an adult**. The doors of the theater will open 15 minutes prior to rehearsal and performer's show call times. It is the responsibility of the parent or guardian to make sure that the performer is properly signed in. Please be on time. Should you be running late, let us know. Keep in mind, being late affects the rest of the cast and rehearsal process.

Sign-Out Policy

Every performer must be signed out **by an adult**. You have until 15 minutes after the end of rehearsal to pick up your performer. After that, you may be subject to a late pick up fee of \$20/15 minutes - which is charged at the top of the 15 minutes.

Please be aware, we only have the theater for specific times. If a performer is picked up late, that means myself and the performer will be sitting outside in the summer sun waiting for their ride.

Students are not allowed to sign themselves out.

Lunch

Lunch will be from 2:00pm - 2:30pm. Each performer must bring their own sack lunch and enough food to sustain them for the entire rehearsal. Please note, there is no refrigerator or microwave available to performers.

***ALL PERFORMERS must bring a refillable WATER BOTTLE.**

Breaks

Scheduled breaks will be between 5 and 10 minutes long. We strive to run rehearsals in a professional equity (union) manner. That means performers receive a 5 minute break every hour and/or a 10 minute break every hour and a half. There may be times a performer has a longer break due to that days rehearsal schedule. During those times, performers should take their adequate break, and then use the remaining time wisely to review any material they need to.

Medication

Non-Prescription Medication: Students are allowed to bring non-prescription medication to rehearsal, only if a signed note from the parents is given to Jennifer Brasuell. This note should describe the dosage and frequency the medicine is to be taken. Once we have this note on file, the performer is allowed to carry the non-prescription medicine on their person, and they will take on the responsibility of taking this medicine at the proper dosage and time.

Prescription Medication: Please notify and speak with Jennifer Brasuell.

For All Medication: It is ultimately the student's responsibility to know when and how much medication they should take, and Worklight Youth Theater is not responsible for administering proper doses at proper times. This includes, but is not limited to all prescription medication, non-prescription medicine, and any inhalers.

Auditions

***ALL kids are given a role. Auditions are to place them in a role.**

Performers will audition for what role they will play in the show. These will take place on Friday, July 12th. Auditions will fall between 11am-5pm. There will be more information emailed to you as we get closer to the start of camp.

Please note: Auditions are held at a separate location from the theater.

Only auditions will be held at:

Evolution Studios

10816 Burbank Blvd.

North Hollywood, CA 91601

At Home Rehearsal & Preparation

Just like the professionals, Worklight Youth Theater performers are expected to review their material and what they learned in rehearsal at home. This is part of what being a prepared performer entails. We will provide performers with the tools they need to do so. Please note, performers are expected to be off book (fully memorized) by the Monday of the second week. Parents, remember. They're young and like sponges. As long as the young performers do their preparation and at home rehearsal, they will be ready to go. This is where performer's parents involvement, such as running lines with them, is key to their success.
